

**KSU M.A.T. Chemistry Program
Course Prerequisite Approval Form**

Applicant Name: _____ **Date:** _____

Advisor Name: _____

M.A.T. Chemistry applicants must have a Chemistry degree, or have course credit for the following courses or their equivalent. Courses must be completed within 10 years of admission to the M.A.T. program, and must have a grade of “C” or higher to be considered for prerequisite credit. For more information about any individual course, see course descriptions at <http://www.kennesaw.edu/academicaffairs/acadpubs/UCATINDX.html>. This form must be completed, signed by the MAT Chemistry Coordinator, and submitted as part of your application materials.

Category	KSU Courses	Fulfilled by (course, university, semester, and grade)
Mathematics	MATH 1190 Calculus I MATH 2202 Calculus II	
Physics	PHYS 1111/2211 Intro Physics I with lab PHYS 1112/2212 Intro Physics II with lab	
Lower Level Chemistry Coursework	CHEM 1211/L Intro Chemistry I with lab CHEM 1212/L Intro Chemistry II with lab CHEM 2800 Analytical Chemistry w/ or w/out lab	
Upper Level Chemistry Coursework	CHEM 3361/L Organic Chemistry I with lab CHEM 3362/L Organic Chemistry II with lab	
Upper Level Chemistry Elective (Choose at least one)	CHEM 3XXX CHEMISTRY ELECTIVE CHEM 4XXX CHEMISTRY ELECTIVE	
Supporting Disciplines (none required, but may be applied to the MAT program of study)	ASTR 3320 Astronomy and Cosmology ASTR 3321 Solar System Astronomy BIOL 2107 Intro Biology I with lab BIOL 2108 Intro Biology II with lab BIOL XXX Intro Environmental Sci GEOL XXX Intro Geology/Earth Sci
